Structure of Camp

EPiC '25 will be structured in such a way that students of any walk of life will be provoked to embrace the Gospel of Jesus and be challenged to be more like Christ. One way we do this will be with the intentional structure of our sessions. The goal is simple: A summer camp that is geared towards presenting the Gospel in a clear and challenging way that sees the lost saved and saved reminded of God's grace and mercy!

Evening Sessions:

Evening sessions are geared toward the masses. In other words, we will have energy, engagement, and Gospel centered teaching from Scott Castleman, a Teaching Elder from our very own Gulf South Presbytery.

Morning Sessions:

Morning sessions will be low-key, acoustic guitar worship and a brief devotional. Following this time together, the students will be provided a passage to meditate over during individual quiet time.

Workshops:

After each morning session and Quiet Time, we are hosting workshops (TBD):
